The Board of Directors of the Cincinnati Aspire Scholarship Foundation (CASF), invite your organization to join us in empowering promising African American male students through access to higher education at Historically Black Colleges and Universities (HBCUs).

CASF is a 501(c)(3) nonprofit led by professionals and civic leaders who share a vision for a more inclusive and equitable professional landscape. We achieve this by awarding scholarships and providing sustained mentorship for African American male students committed to completing four-year degrees at HBCUs. Since 2019, we have disbursed over \$68,000 in scholarship funds to twenty-eight recipients attending or graduating from eleven prestigious institutions, including Howard University, Tennessee State University, and North Carolina A&T State University.

What sets CASF apart is our holistic model: we not only provide financial support for three semesters corresponding with an 85% college completion rate but also track academic progress and provide mentorship throughout students' matriculation. Our students are now entering the workforce as engaged and ambitious contributors in fields such as medicine, technology, business, and education.

We invite your organization to become a corporate partner in this mission. Sponsorship at the following levels will directly support tuition, mentoring, and professional readiness for deserving students:

Giving Level	Annual Contribution
Platinum	\$10,000
Gold	\$5,000
Silver	\$3,000
Bronze	\$1,000

Your sponsorship is tax-deductible and publicly recognized on our website and outreach materials. We are confident that this partnership will not only transform the lives of our scholars, but also affirm your organization's commitment to cultivating a culture of belonging, opportunity, and shared success.

Thank you for considering this opportunity to invest in future leaders. Together, we can expand access, inspire excellence, and shape a more inclusive tomorrow.

Sincerely,
Cincinnati Aspire Scholarship Foundation Board
